 TRANSIT NUMBER ACCOUNT NO.

3. YOUR AUTHORIZATION

Participant Authorization for Electronic Loan Payments

I understand that by providing my Social Security number, loan payment instructions, and bank account information to Fidelity Investments Institutional Operations Company, Inc. or its affiliates (Fidelity) I am authorizing and requesting Fidelity to initiate electronic debit entries from my bank account, thus representing loan payment(s) made by me.

I also authorize and request my bank to accept any such withdrawals initiated by Fidelity and to debit as requested the loan payment amounts from my account, without responsibility for the correctness thereof or for the existence of any further authorization.

I further understand

- a. that the above-mentioned debit(s) will be made to satisfy the terms of the loan payments as indicated to me at the time of transaction initiation: recurring payments will begin generally within ninety calendar days; one-time payments will be made generally within nine business days
- b. that the above-mentioned debit(s) will be for a specific dollar value as indicated to me at the time of transaction initiation
- c. that it is my responsibility to provide complete and correct bank account information at the time my transaction is initiated
- d. that I will receive confirmation of the transaction only upon bank account setup, modification, or deletion; setup of recurring payment(s); or transaction rejection. I will not receive written notification of subsequent successful debit entries
- e. if my payment is recurring
 - I will receive written notification of a change in my recurring payment only upon request
 - my last payment amount will be equal to or lesser than my regular payment amount as disclosed to me on either my recent confirmation or the loan truth in lending statement, which I received upon loan initiation
 - in the event that my loan repayment frequency changes, my loan may be systematically reamortized, and I will be responsible for continuing to make electronic loan payments as the new schedule specifies
 - any existing loan(s) or subsequent loan(s) I process will also be paid electronically by me and will increase my total debit amount by the amount of the new loan payment as disclosed to me on the loan truth in lending statement, which I received upon loan initiation
 - in the event that I choose to terminate the electronic loan payments, I must arrange to repay my loan through an alternate method as allowed by my plan's rules prior to cessation of electronic payments
- f. that this agreement does not change my responsibility to repay my loan(s) in accordance with its terms and plan rules
- g. that Fidelity will not share my bank account information with any third party unless instructed to do so by me or as required by law
- h. that Fidelity will not be responsible for any loss, liability, cost, or expense for acting upon my instructions—including fees that may be charged to me by my bank
- i. in the event that I should choose to terminate the electronic loan payment(s), I must contact my plan's service center at least two business days prior to the next scheduled debit, either by accessing NetBenefits® at my plan's Internet address or by phone using my plan's toll-free number or both (depending on the availability in my plan).
- j. should I have reason to believe an error has occurred in my account, I must contact my plan's service center as soon as the error is discovered.
- k. that if my bank rejects any debit entries initiated by Fidelity, the loan repayments attributable to the rejected debits will be removed from my account as soon as administratively practicable after Fidelity has been notified of the rejects and any losses on these amounts will be borne by the account.
- l. that this agreement may be terminated by Fidelity, my employer, or my plan sponsor at any time if reasonable grounds exist to do so.

By signing below I acknowledge that I have read and agree to the terms included in the participant authorization for electronic loan payments.
